

DOES THE PRICE OF MY TICKET INCLUDE CAMPING?

Yes. You may camp at no additional cost – except, of course, if you booked a glamping tent.

ARE THERE SHADED AREAS AND LEVEL GROUND TO PITCH MY TENT?

Yes – especially for those people who arrive early. But please be advised to also bring your own stretch tents or shade cloth, gazebos and beach umbrellas to create more shade for yourself.

ARE THERE SHOWERS AND TOILETS?

Yes, there are hot showers (both wood-fired and gas-fired) and our compost toilets are the best in the business (and are serviced on a daily basis).

SHOULD I BRING TOILET PAPER?

Yes please. We provide some, but we appreciate each person bringing their own supply as well.

IS THERE DRINKING WATER?

Yes there is, though we would appreciate it if each person could arrive with her/his own supply of at least 20 litres of drinking water.

THE GATHERING ENCOURAGES MAXIMUM SELF-RELIANCE. WHAT DOES IT MEAN?

Being responsible for your own food, drinks, rubbish management, rubbish removal (please bring your own black refuse bags) and recycling. It also means leaving no trace once you pack up and go – do not rely on others to clean up after you. Lastly, please arrive with a can-do attitude and EVERYTHING ELSE for a comfortable camping experience.

WHAT KIND OF RECYCLING HAPPENS AT THE EVENT?

We encourage a process called Eco-Bricking. There will be demonstrations and/or workshops illustrating how to do it. Please bring along you own old, empty 5 litre plastic water bottle to serve as a receptacle for the Eco-Brick.

ARE THERE FOOD STALLS?

Yes, there are several excellent food stalls that cater for a wide spectrum of tastes, with an emphasis on healthy vegetarian and vegan meals. They also offer soft drinks. Join our WhatsApp Community platform to be informed about the menu options.

WHATSAPP COMMUNITY PLATFORM? IS IT A CHAT GROUP?

Nope! It's a very useful forum where we share important information such as ticket discounts, lift share opportunities and creative offerings. Go here:

WHAT IS THE SUMMER SOLSTICE RAINBOW MEAL FEAST?

On the day of the Solstice (21 December), the community comes together in ceremony and co-creates a feast of abundance. We ask each ticket holder to please contribute some fruits, vegetables or healthy grains towards this feast.

IS ICE AVAILABLE DURING THE GATHERING?

Yes, ice will be on sale.

WHAT DO YOU MEAN BY CO-CREATION?

Ours is a communal gathering bonded by the glue of co-creation. Some of it is pre-conceived, yet much of it arises spontaneously in the moment. For instance, by attending a Fire Dancing workshop you may participate in our epic Fire Ceremony on the day of the solstice. If you have a creative offering, please fill in the Creative Offerings Application Form. Here's the link: <https://forms.gle/FXZMtEsAJGXJ3iKY6>

WHAT IS A TALENT MARKET?

It's a daily outdoor market where all members of the community are encouraged to **trade their goods** – for example, pre-loved clothes – rather than sell their goods for cash.

AND WHAT ARE TALENTS?

It refers to the units (1 Talent = 1 Rand) employed by the internationally recognised Community Exchange Talent System, which is a mechanism for building community through trading goods and services rather than exchanging cash. We highly recommend engaging with the Talent System and immersing yourself in the experience. It's easy and effective – all the more so if you show up and honour yourself! To register for your personal exchange number, go here: <https://www.community-exchange.org/home/what-is-the-ces/>

YOU HAVE A TRADER'S EMPORIUM. WHAT'S THIS ABOUT?

We have a dedicated trading space in a rain-proof tent for people wanting to sell their merchandise. As curators of the space, we give preference to those who create unique and artistic items (clothes, jewellery, etc.).

MAY I TRADE OR SELL PLANT MEDICINE?

No, regrettably not. You may promote your product by word of mouth or by printing flyers for distribution, but please respect our boundaries. Those who fail to do so will be asked to leave. Right of admission is strictly reserved.

CAN I BRING MY PETS ALONG?

Regrettably not. Please leave your pooch at home.

IS IT A SAFE ENVIRONMENT?

Yes. There is no crime in this area. The lake is also safe. Children have to be supervised by their parents, but the space itself is benign and tranquil. That said, we are in wild nature so expect the unexpected and be vigilant. You will be required to sign an Indemnity Form that outlines some of the risks.

TALKING OF CHILDREN, MAY THEY ENTER FOR FREE?

Kids up to the age of 5 may enter for free. Children aged 6 to 16 have to pay a fee (see our ticketing categories and prices for more details). We consider teenagers older than 16 to be young adults.

AM I ALLOWED TO LIGHT A FIRE AT MY CAMPSITE?

No open fires where you camp (as this is a high fire-risk venue). There are designated fire circles and a cooking area where cooking fires may be made. You may also cook your own food using a gas burner at your campsite. If you intend to cook on an open fire most of the time, please bring your own firewood.

CAN I PARK MY CAR AT MY CAMPSITE?

Only if you've bought a Motorised Camping Pass, which will allow you to camp in the dedicated Motorised Zones. To do so, go to our tickets page.

IS IT POSSIBLE TO ARRIVE A DAY OR TWO BEFORE THE START OF THE GATHERING?

Buy an Early Arrivals Pass. Early arrivals may not reserve a space for friends who did not buy an Early Arrivals Pass. Also be prepared to help us with the set-up of infrastructure and, most importantly, do not be a burden to anyone on the land.

IS THERE WiFi OR CELLPHONE RECEPTION?

WiFi is not generally available but reception is strong on the land – you will be able to access your data with most of the service providers, though Telkom tends to be patchy.
